

Arctic Orienteering Club

Results of the May 23, 2001 Meet at Pia-Margrethe Memorial Orienteering Area

About 120 runners braved a heavy rain and hail shower to locate 7 to 14 checkpoints in the forested area east of Muldoon road. One of the rewards for making it back to the start/finish area was warm, homemade lentil soup provided by Marianne Pedersen. Thanks to Urban Enkvist and Per Pedersen for setting up a fine meet.
