

## HIGH SCHOOL ORIENTEERING AUGUST 13 @ HILLTOP

Six high schools competed in the annual orienteering event put on by the Arctic Orienteering Club. The trails were still muddy from the rain the previous day, but otherwise the event was blessed by sunshine and about 250 high-spirited cross-country runners.

The course was set up as a score-O, where the runners try to locate as many controls as possible in one hour. The controls farthest away or off the trails have highest points. The fastest team this year was from Chugiak high school. Semmler, Murphy, Singleton, Pederson, Cherry, and Morhain got 550 points of 840 possible. Chugiak also won overall, averaging 340 points per team, beating last year's winner, Colony high school from Palmer, who averaged 321 points.
