

## **Kincaid Park Night-O Relay**

10/11/03 -- Arctic Orienteering Club

The Arctic Orienteering Club held their last regular season meet at Kincaid Park over the weekend. The Night 'O' featured a relay and both a 30 and 45 minute Score "O". The mass start meet ensued amid a large gathering of moose that congregated on the park lawn as the sun set. Paul Carson and Steve Gruhn proved the most adept at dodging the 12-15 moose that appeared to have gathered just for the event, winning the relay event with 75 points. Eric Follet won the 45 minute Score "O" event and Joan and Brett won the 30 minute class. The last event on the Arctic Orienteering Club calendar is the ever-popular, kid-friendly Halloween Orienteering (7-8pm on October 25 th at the Campbell Creek Science Center).

### **Relay teams**
