Bill's Orienteering, 5/26/04 at Kincaid Park

Ninety-two People turned out for the orienteering meet at Kincaid Park on a warm sunny Wednesday evening. Participants Splashed merrily through marshes, forged resolutely through alder thickets, treaded gingerly through devils club patches, bounded down sand dunes, snuck past watchful moose and slipped quietly across grassy glades in their quest for the orienteering points and glory.

In the premiere relay event the team of Adam Verrier and Tobias Schwoerer started tentatively but came on strong during the fourth and fifth leg and ran away from the field. Second place was hotly contested all evening. The team of Ian Moore and Jen Jolliff, still trailing in 5th place after 5 legs piled on the points and with only one penalty pulled away from the Trond Jensen and Marianne Pedersen to secure second.

In the individual score-O event Gary Snyder collected an inspiring 730 points to take the event title. As a prize he took home a salt caked t-shirt and an ample compliment of scratches and devils club thorns.

On the white course the team of Libby Kugel and Elisabeth Knapp traversed the 7-control 1.7-kilometer course in 22 minutes to squeak ahead of John Adamson, who finished in 22:17.
