

## **Chris' Orienteering Results**

23 June 2004  
Elmendorf AFB

On a "thick" green course with some orange "controls" guarded by alder slopes, and one muskeg to cross, 50 hardy Arctic Orienteers contested with themselves, mosquitos, and one small bear on the north side of Elmendorf's runway Wednesday evening. Two of Alaska's best "punched in" on the wrong control while in a minor depression near the finish. "Lets call it a draw" one suggested, but the DNF (did not finish) for the wrong punch code stood. Several used the challenge as preparation for the upcoming Canadian Orienteering Championships in Whitehorse next month. Lauren Fritz and Sara Juback, thwarted on the Orange course, rehydrated and raced the Yellow Course to best the father/son team of Gunnar and Nathaniel Knapp, while Lindsey Flagstad was top female ahead of competitors Ginny Moore and Giselle Bergeron. Odd Fuglestad, visiting from Norway, was overall winner for the Red event in 1:07:10, 42 seconds ahead of Ian Moore.
