

HIGH SCHOOL ORIENTEERING TUESDAY AUGUST 17TH AT HILLTOP

Event hosted by Arctic Orienteering Club.

Meet directors: Marianne and Per Arne Pedersen

Maps printed by Williwaw Publishing.

Close to 400 cross country runners from the local high schools, including Colony high school from Palmer and Grace Christian (private) attended the 6th annual high school orienteering meet at Hillside Park. The coaches say the orienteering event has become one of the high lights of the running season, as it provides a lot of fun for the runners and a variation from the regular training schedule.

Record temperatures, dusty conditions. There were lots of bees in the area, and many runners came in with multiple bee stings.

Top team this year was Nathan Wolfe and Chris Kosednar from East High School. In one hour they located 18 out of 24 controls, and scored 590 points of 840 possible. Team number two was also from East: Bill Brooks and Ryan Pitt. Service runners Gary Palmer, Zak Melms, and Mike Hinkley finished third.
