

THE NORWEGIAN SPECIAL

While at the World Masters in Alberta, Dick Hawkins met up with a group of folks from Norway who were on their way to Anchorage. There were about 70 in the group and they said that about 50 would be interested in doing a course in Anchorage. Dick and a number of other Anchorage orienteers set up green and red courses for them, and there was a cookout after the meet.

Dick Hawkins said: The results of the Norwegian Special Orienteering meet held Thursday, 4 Aug. are finally tabulated. My apologies for being slow and my spelling mistakes with names. Some of the punch cards were rather difficult to read. Before I go any further I would like to thank, again, everyone in the Arctic Orienteering Club who stepped forward to help me make this event and the cookout that followed a grand international success. I couldn't have done it without you.

The day turned out to be sunny (the first one in more than a week). Only two courses were set up for this special event, a green and a red course. The green was 3.09 km and the red was 4.6 km. Several local runners joined in the event and held their own against the visitors. Again, thanks to all.
