

## **Arctic Orienteering Festival 2006 Day 2**

### **9/10/2006 Pia-Margrethe/Klutina Entrance**

Sunny skies and warm weather greeted the 81 orienteers who came out to the second day of the Arctic Orienteering Club's O-Festival. Ian Moore posted an impressive victory on Sunday to move up from third place on Saturday and win the combined two-day championship on the Red course. Dan Ellsworth won both days on the Green course for the men, while Ellyn Brown did the same for the women.

Thanks to Linda Smith for help with all aspects of the meet, Urban Enkvist for doing preliminary course design and field-checking way back in June, Trond Jensen for securing permits, giving instructions and answering questions, Chris Tomsen for being a liaison with Fort Richardson, Jen Jolliff for helping with the registration table and taking lots of photos, and Charles Machado for picking up all the controls afterwards.
