### **Kincaid Park**

Toby Schwoerer breezed through the 16-control, any-order course on Wednesday evening, handily topping the Anchorage elite men. Toni Fuerer and Terri Pauls led the men's and women's fields in the any-10-controls course. Dave Evans and first-timer Jason Bent were the quickest team on the long course, and first-timers Steve and Eileen Halverson showed great potential by beating all other teams on the short course. Linda and Baby Smith were second only to the team of Jaime and Jeremy Locke on the standard-format white course.
