

Orienteering Relay
Wednesday, May 30, 2007
Hillside - Hilltop parking lot

Approximately 85 people enjoyed an evening of teamwork and competitive orienteering near the Hillside trails on Wednesday evening. The two person relay teams competed on either a short course (two legs for each runner) or a long course (three legs for each runner). Each leg was between 1.5 and 2.0 kilometers. It was an exciting mass start event, where Team Member 1 ran the first course, then tagged off to Team Member 2 who ran the same course, then Team Member 1 ran the second course, etc. Sharing of information between teammates in the exchange zone was encouraged.

The ringer team of Kimball Forrest and Ian Moore earned a commanding victory on the long course, finishing over eleven minutes ahead of second place Paul Carson and Andrew Lee. Toby Schwoerer and Trond Flagstad took third.

On the short course, Paul Stone and Ben Elbow were the winners, ahead of Bill & Ann Spencer and Tom & Anne Livingston, while the female team of Jen Jolliff and Lindsey Flagstad (+2) finished third.

Thanks to the following volunteers for helping put on this meet: Linda Smith, Trond Flagstad, Toby Schwoerer, Trond Jensen, Ian Moore, Jen Jolliff, and Jill Follett.
