

# 2007 Orienteering Festival Day 1

8/22/07

Hilltop Ski Area

Approximately 60 people enjoyed an evening of fun and competitive orienteering in and around the Hillside trail system. Everyone's times were slowed by typical late-summer hazards of light drizzle and thick undergrowth obscuring a plethora of beetle-killed deadfall.

Thanks to the following volunteers for helping put on this meet: Ted and Ginny Moore for meet organization and course set-up, Ian Moore, map making; David Snyder and Resource Data, Inc. for map printing and Charles Machado and Frances Wang for control pick-up. Ian Moore won the most challenging red course in 1:29:55, while Ellyn Brown was the fastest overall and the fastest woman on the green course in 1:30:22.
