

Karen and Tom's Scrabble-O

Wednesday, July 30, 2008

Goose Lake/APU trails

Approximately 60 people showed up to test their map reading and scrabble skills. Contestants races through woods and swamps, gathering as many scrabble letters (one per control) as they could find in one hour. They then used the tiles to create crossword style puzzles, giving them bonus points. Bastien Nengin won the mens event with 690 points, including a 200 point scrabble bonus. He was closely followed by Eric Follett, with 640 points. For the women, Joyce Goodell won with 400 points, to edge Ellyn Brown. The winning team was Dave and Diana Evans who racked up an amazing 710 points. Amy Medlock and Jared Gardner tied with Team Jolliff/Moore for 2nd.

Thanks to the Bronga family and Roxanna Jeske for helping to cut out 2400 scrabble tiles, create, set and take down the course and provide the yummy rootbeer floats. Thanks to Dwight for helping to load gear after the meet.

Scrabble-O, 30 controls
