

Dan's Intermedi-O

5/27/2009

Far North Bicentennial Park - Mile 1.1

Racers dodged bears, newborn moose, and mosquitoes while traversing beautiful open forest on a cool, rainy evening. The intermediate-format meet featured relatively short courses that aim for the winner to finish in 30 minutes. Ian Moore topped the men's field in the longest race, and Jen Jolliff led the women's field. Eric Follett led the shorter technical course.

Special thanks to Keri Koger and Darren Hull for two additional runs to retrieve controls in the rain.
