Far North Bicentennial Park - Mile 2.2

Approximately 97 people donated a fair bit of blood to the mosquitoes but nevertheless had an enjoyable evening of orienteering in the lovely forests of Far North Bicentennial Park. In a "photo finish," Ian Moore edged out Bill Spencer by 15 seconds in the men's advanced course, while Ellyn Brown finished with a comfortable lead in the women's expert event.

Deep apologies to the final few finishers of the Red course for the premature removal of the last control.

Thanks to the following volunteers who helped with this meet: Meg Cronin, Paul Brusseau, Bill Spencer, Ted Moore, Trond Jenson, Dwight Iverson, Bill Cheatum, Jim Green, and, most of all, Diana Evans.

Contact the meet director if you lost a pair of sunglasses, one leather gauntlet-type glove, or a blue shell jacket.
