

## Toby's Dogbone Orienteering Meet

Wednesday, July 15, 2009, at Russian Jack Spring Park

This week's (Wed. July 15th) orienteering event was a dogbone orienteering with an optional white course. Bill Spencer won the men's division in 31:30 min just ahead of overall second place finisher and women's winner Ellyn Brown who ran the course 32:39 min. The more than 60 participants had to orienteer to 9 dogbones, pairs of controls that could be taken in any order, requiring the participant to pick the most efficient route.

Special thanks to Chris Tomsen and the Boy Scouts who helped with course, registration, and timing.
