

High School Cross Country Orienteering Meet

Tuesday, August 11, 2009 at Kincaid

375 Cross Country runners from across Southcentral Alaska competed in an Orienteering Course prepared by the Arctic Orienteering Club at Kincaid Park, competing against their coaches and the public. In the Score-O Event, runners had to get to as many controls as possible in an hour, with a stiff 20 point deduction for every minute over the allotted hour.

South High accumulated the most points, **West** had the highest average points per team, and **Dimond** had the most points among the top ten finishers of each school (followed closely by **West** High).

Nathaniel Knapp and Nathaniel Grabman, from **East** High, out-scored all other teams with 690 points. Only one individual in the Open division scored higher: Patrick Johnson got 800 of the possible 840 points. Karen Bronga, with 520 points, led the Open Women's division, and Eeva Latosuo and Jamie Andersen swept the Open Teams with 680 points.

A huge thanks to Jim and Max Waugaman for picking up the controls, Dela Grey for help in the afternoon and evening, Tom Livingston for help in the morning, and Kimball Forrest for help with Ocad and setting out controls.
