Service High School

A close finish on the Men's Red course between Ian Moore and Bill Spencer was rendered moot Wednesday evening at the Service High School orienteering event. Spencer crossed the finish line with a time two minutes faster than Moore, but soon discovered that he did not punch control #10, even though he apparently ran very close to it. Thus Moore (1:07:52) was the winner by fourteen minutes over Toby Schwoerer. Tatyana Svistun was the fastest female on the advanced courses, with a time of 1:30:59 on Green. Eric Follett won the men's Green course in a time of 1:01:14. Marianne Pedersen was the fastest person on the Orange course in 1:02:33. A whopping 140 people came out on a beautiful summer evening. Congratulations to all participants for completing courses in challenging terrain.

Cory Smith organized this meet with help from Peter Smith, Linda Smith, Hatcher Smith, and Millie Smith. Thanks to Bill Spencer for finding our one straggler.
