

## **Eeva's Sprint Orienteering Meet on UAA Campus**

**Wednesday, July 07, 2010**

Fast and furious sprint orienteering event on UAA campus brought in a good crowd, but no surprises to the leader board. Ian Moore kept the winning pace at 17:30, with Lars Spurkland being the only other competitor to break 20 minute mark on the long course. Jen Joliff sprinted to women's lead with 24:26.

Despite the grey weather, 70 people participated in the summer's only urban meet. Many happy and sweaty faces commented on the new fun orienteering map & exciting meet type - and the lack of downed trees and thorny bushes.

Thanks for UAA's Nancy Hall with getting permits for the new map area. The meet was organized by Eeva Latosuo with help from Jaime Andersen.
