

## **High School Cross Country Orienteering Meet**

Tuesday, August 10, 2010

Kincaid Park, Raspberry Road entrance

Ellyn Brown, Meet Director

Cross Country runners from across Southcentral Alaska competed in an Orienteering Course presented by the Arctic Orienteering Club at Kincaid Park, competing against their coaches and the public. In the Score-O Event, runners had to get to as many controls as possible in an hour. A penalty of 20 points was subtracted for every minute runners returned over an hour. Colony accumulated the most points of total High School teams. Highest scorers of all competitors was the Grace Christian team of Jacob Kirk and John Weber, finding 680 of the possible 840 pts.

Thanks to Ian Moore for help with Ocad, Kimball Forrest for help putting controls out at 6:15 AM, Cass Ariey for help all day compiling data and deciphering handwriting, Mike Robinson for helping packing the meet up, Jim and Zach Waugaman for picking up all the controls, and my houseguests from San Diego, for finishing up the data compilation.
