

## **Mirror Lake Orienteering Event**

August 18, 2010

This was the first meet on a brand new map that the club had made this summer. In cooperation with Eklutna Inc. the club made a map that covers land owned by Eklutna, Inc., the Anchorage School District and the Parks department. Running on a new map is exciting and this map offers some of the best most runnable terrain in Anchorage. Add to that the fact that the sun came out for the first time in days and all competitors had a grand time. The club is very grateful to cooperation from Eklutna Inc.
