

Mike's Score-O "Clue-O"

Wednesday, August 25, 2010

Russian Jack Springs Park

More than 75 people came out to enjoy the sunshine. Fifteen individuals and six teams collected enough clues to correctly deduce that Miss Scarlet killed Mr. Boddy in the Library with the Lead Pipe. Cory Smith, Ian Moore and the team of Bill & Dave Spencer each punched all 30 controls within the allotted hour, and solved the crime. Cory takes the laurels with a slightly faster time.

Thanks to the following volunteers for helping put on this meet: Ruth Kvernplassen, Dwight Iverson & Greta Yarbrough
